

Architectural floor plan of a building. The plan shows a large central area labeled "PLACA DE CONCRETO" (Concrete Slab) and "COLUMNAS EN CONCRETO" (Concrete Columns). The building has several roof types: "CUBIERTA EN CANALETA A 90°" (90° Gutter Roof) in the top left, "LAMINA ONDULADA DE ETERNIT" (Asbestos Cement Corrugated Sheet) in the top right, "CUBIERTA DE PIZARRA" (Slate Roof) in the middle right, and "CUBIERTA EN ETERNIT" (Asbestos Cement Sheet) in the bottom left. A "PLACA SOBRE ANTIGUO TRASPATIO" (Plate over old back patio) is located in the top right. The plan also shows a "CORNISA" (Eave) and a "TERRAZA" (Terrace). The building is surrounded by an "ANDEN" (Walkway) and a "CA" (Calle) (Street). The plan includes various dimensions and structural details.
