

Moana Mission Monday

When: Monday, October 30th

What do I do: Bring in a dollar donation to wear a tropical themed shirt with uniform bottoms.

Why: Father Brian discussed the movie *Moana* in our weekly Mass during his homily. The message given in the movie reminds us to know who we are. Father Brian reminded us that ultimately we are the children of God. We need to focus less on what others think and focus on being children of God.

The money collected will go towards the missions our school supports. Each class will discuss the importance of what Father said, and we will ask ourselves what we can do to achieve our greatest potential as children of God. Each homeroom will watch *Moana*, and then students will write reflections connecting the movie's message and Father Brian's.
