The Week in Review:

- Thanks to all our parents who attended the **Parish Discernment Listening Session** last Saturday morning. Much valuable information was received as over 15 pages of great thoughts and ideas for our future were documented! We appreciate your involvement in the parish and planning for the future. Now the archdiocesan facilitator will guide the **Core Team and Fr. Lou** to identify 2-3 goals in the areas of Family Life, Education/Formation, and Service/Outreach. They will then determine the required resources to respond to the goals and communicate these results to us in early April. If you were unable to attend and would like to provide input, please contact the parish office.
- **Students in grades 3, 5, 7** took the majority of their Terra Nova tests this week. We will finish testing on Monday, and Tuesday-Thursday will be time for making up missed exams for any absent students. Please ensure that children have a good breakfast, plenty of sleep through the week, a snack for testing breaks, and are reminded to give their best effort.
- Report cards were sent home on Wednesday. **Please sign and return or sign electronically through Sycamore by March 23rd.** Thanks!
- First grader **Sarah R.** represented SLS as she competed in the CSAA Swim Meet in the girls 25 m freestyle event on Saturday, March 3rd. She swam her best time yet, 33.65s, beating her current best time by 2 seconds. She has a bright future in swimming!
