## Why Host a **FASTRACK™** Speed Challenge?

### It's Fun!

Everyone likes friendly competition especially when bottles are flying! Compete against hundreds of stores & clubs around the world.

### It's Easy!

Set-up is minimal & we've got everything you need to record & submit your times.

### Promote your Store or Club

Hosting an event gets your store or club all over our website & social media to reach hundreds of potential customers.

### Win Free Tickets to the National Homebrewers Conference!

Every year we purchase 10 tickets to the National Homebrewers Conference to bring the fastest participants as our guests to partake in the World Speed Challenge Championships. **AND** the winner is sponsored to come back the next year to defend their Title.

## FastRack Speed Challenge Event Set-Up Instructions

1. Designate a time at your club meeting, conference or event for a FastRack Speed Challenge
2. Notify us at: [Jes@TheFastRack.ca](mailto:Jes@TheFastRack.ca) to post it to our Events Calendar and other social media
3. Promote your event using your website, Facebook, Twitter and other online tools
4. To set up your challenge, you will need:
  - Large sturdy table
  - 1 *FastRack24* (beer) Rack
  - 24 empty bottles + extra bottles for breakage
  - 1 empty 24-bottle beer box (generic beer box)
  - Timer that is visible for video - cell phones & iPads work well
  - Recording device - a quality cell phone is usually sufficient
  - Towel or mat for under and in front of the table - to catch flying bottles
  - Sign-up sheet for participants including: name, email, phone number and time columns (included in this package)
5. Either do a time trial or a head-to-head elimination style contest to find the "Fastest Hands"
6. Get the recording device ready \*only taped challenges will be accepted into the FastRack "Fastest Hands" Competition\*
7. Begin the first participant with the countdown "3-2-1 FASTRACK"
8. Start the timer and the participant must fill the 24 bottles into the rack, put the box over top and flip the box over.

### **Time stops when the box is flipped over on the table**

9. Record the time of each participant and repeat steps 6-8 until everyone has participated
10. Upload your three fastest times and email to [Jes@TheFastRack.ca](mailto:Jes@TheFastRack.ca) with the following information:
  - Retail Store or Homebrew Club Name
  - Participant's name
  - Time
11. Have fun & we look forward to seeing you at the World Championships!
