YOUR DREAM

The large sliding glass windows give rise to open spaces. The rooms of the villa open to the swimming pool where the water creates a link between the industrial elements and the environment, following the line of a longitudinal pool that follows the horizon.

The master bedroom has walk-in closet and all bedrooms enjoy luxury on-suite bathrooms

TRUE RELAXATION

The design of the villa is conceived on a visual connection to integrate the house with the landscape.

The diaphanous floors, the transparency and the simplicity of shapes, guarantee the entrance of daylight and a good ventilation. The areas of the house merge and dematerialize the confines between interior and exterior.
